

Notice

Charging Home Based Caregivers Jobs in Israel

According to the Memorandum of Understanding between the State of Israel and the Government of Sri Lanka on 24th February, 2020 (revised), for the nursing jobs for which visas are issued from 14th October, 2022 onwards, in accordance with the standard law of the State of Israel, the applicant should pay USD 1707 (5800NIS) (including tax) as service charges to the Caregivers Recruitment Organization (Placement Bureau)

The total amount USD 1707 (NIS 5800) to be paid is to be charged in three (03) instances as follows.

1. USD 1117(3248NIS) three (03) days before departure to Israel
2. USD 295 (855NIS) in 26 months after moving to Israel and
3. USD 295 (855NIS) in 38 months

In addition to the currently approved amount, I hereby inform that every caregiver who will be issued a visa from 14.10.2022 onwards must pay these fees.

The above charges may be revised depending on the change in tax rate.
